DECORATIVE WALL PLANKS

Trendy oasis of design

Established in 1997 at Rajkot, Gujarat, TAG Moulding has a long and proud history as a supplier and manufacturer of quality Frame Mouldings, Framing Equipment, Accessories and Hardware. Our Brand TAG is named using the first three letters of our first Framing and Art Gallery set up in Rajkot with the name Top Art Gallery. Likewise, our logo and the “Eye” symbol signifies focus on minute detail and finishing which is clearly evident in all the mouldings that we now manufacture and distribute.

We have always believed in supplying the best possible finish and PS material in all our products. It is our goal for all our products to be manufactured under the highest standards of quality, using the best possible technology, machinery and materials. Having dealt with major leading moulding manufacturers in China and South Korea for more than 25 years, our research and development team has hands-on experience and ability to design world class mouldings at our manufacturing facility in Ahmedabad.

Mouldings from South Korea are renowned for their quality of finish and clarity and depth of embossing. We can proudly state that we are now manufacturing consistently to such world class levels at our unit in Ahmedabad.
